Respected Sir/Madam,

Greetings from Centre for Development of Advanced Computing (C-DAC), Chennai.

People-centric technology has become the key to building an efficient and responsive welfare state. Therefore, it is essential for Government staff to continuously upskill and reskill themselves in alignment with emerging technologies and present-day requirements to serve the people effectively.

The **Centre for Development of Advanced Computing (C-DAC)** is an Autonomous R&D Organisation under the **Ministry of Electronics and Information Technology (MeitY), Government of India (GoI)**. Through its 12 centres spread across India, C-DAC develops and deploys people-centric solutions by employing contemporary technologies.

At present, **cloud-based solutions** have assumed centre stage as a reliable and effective e-Governance technology for implementing large-scale people-welfare schemes and digital government services.

C-DAC Chennai is the Lead Centre for the skill development programme "**FutureSkills PRIME (FSP)**", initiated by the **Ministry of Electronics and Information Technology (MeitY), Government of India (GoI)**. C-DAC Chennai is mandated with promoting and proliferating Cloud Computing technology across India for e-Governance applications.

We are pleased to invite **Government officials/officers/employees from your college/institution, as well as officials from other Government institutions in Coimbatore**, to participate in the **Cloud Computing Re-skilling/Up-skilling Programme under FutureSkills PRIME (FSP)**.

The programme is specifically designed to equip Government personnel with contemporary skills and knowledge in Cloud Computing and support digital transformation initiatives in Government operations.

Programme Details

- **Course:** Government Official Training on Cloud Computing -Basic/Advanced
- **Duration:** 6 Days
- **Mode:** Online
- **Course Fee:** Free of Cost
- **Eligibility:** Government officials/officers/employees only
- **Target Participants:** Government staff from your college/institution and other Government institutions
- **Tentative Schedule:** Last week of September 2026

We kindly request you to **nominate interested and eligible Government officials/officers/employees** from your institution to participate in this valuable skill development programme.

Further details regarding the **exact dates, online session link, registration process, course schedule, and participation guidelines** will be communicated separately.

We look forward to your institution's active participation and support in making this initiative successful.

With Regards,

Prithivraj M

Project Associate
